Press 'N Flip Calculator

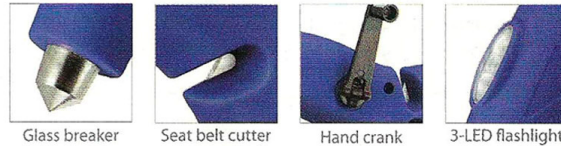

Your customers will find this full-function, 8-digit calculator as fascinating as it is functional. With the touch of a button, a smooth robotic mechanism activates the cover to glide open and flip back, exposing the LCD panel and creating an easel for enhanced visibility and operation. It features rubberized, ribbed sides for a secure and comfortable grip, and easy-to-use raised, rubberized keys. With its large imprint area, it all adds up to one great promotional tool. Made of high-impact silver tone plastic. Replaceable button-cell battery included. Item size: 2 3/4" w x 4" h.

Handheld 3-in-1 Auto Tool

A practical gift that any driver will appreciate, this potentially life-saving tool provides a unique vehicle for your company name, logo, or message. It features a glass breaker, seat belt cutter, and a bright, rechargeable 3-LED flashlight with hand-crank operation. The tool's rubberized finish provides a secure grip. Give this meaningful gift to customers or business associates to show how much you care about them. Item size: 3¼" w x 6" h.
